one of those books that I recommend to anyone who thinks true crime is a wasteland. The story itself is haunting. Two young sisters are kidnapped and When someone who doesn't read true crime asks me why I'm devoted to a genre made up of quickie exploitation tales about serial killers I point them in the direction of one of the classics.

Black is the darkest color, the result of the absence or complete absorption of visible light. It is an achromatic color, a color without hue, like white and gray. It is often used symbolically or figuratively to represent darkness. Black and white have often been used to describe opposites such as good and evil, the Dark Ages versus Age of Enlightenment, and night versus

Black - Wikipedia

This book is dedicated to JOHN FRANCIS MCCARTHY When he woke in the woods in the dark and the cold of the night he'd reach out to touch the child sleeping beside him. Nights dark beyond darkness and the days more gray each one than what had gone before. Like the onset of some cold glaucoma dimming away the world. His hand rose and fell softly
