The Development of Children Ch. 1. theories that address cultural biases that may be present in traditional developmental theories and that examine power relations between groups and the influence on development gender, race, ethnicity, and socioeconomic class.

The Development of Children Ch. 1 Flashcards | Quizlet

Great for high school or entry college class into psychology.

Unfortunately, this was a requirement for my child psych degree. I wish it wasn't so juvenile and was more in depth. The material seems rather basic, a lot of common sense information that anyone working towards a degree in child development or psychology should already know.
