**The Extramarital Affair**  
Such affairs happen often because of resentment towards the current partner. This affair materialises because the partner wants to get even with his/her spouse. They could have discovered an illicit relationship or are deranged by their partner's indifference. When such partners engage in extra-marital affairs,...

5 Kinds of Extra-Marital Affairs And Why They Happen  
Extramarital sex occurs when a married person engages in sexual activity with someone other than his or her spouse. The term may be applied to the situation of a single person having sex with a married person. From a religious perspective, it could refer to sex between people who are not in a conjugal relationship. Where extramarital sexual relations breach a sexual norm, it may be referred to as adultery, fornication, philandery, or infidelity. These terms imply moral or religious consequences,
