The Linguistic Turn in Hermeneutic Philosophy | Bookshare

The same might be said about the recent turn to hermeneutics in Anglophone philosophy. Philosophers such as Davidson, McDowell, and Brandom have referred to, borrowed from, and transformed some of Gadamer ' s central ideas so as to modify their own philosophies of language and their conception of the mind – nature relation and a number of related issues in epistemology.

Hermeneutics - Philosophy - Oxford Bibliographies

Hermeneutics as the methodology of interpretation is concerned with problems that arise when dealing with meaningful human actions and the products of such actions, most importantly texts. As a methodological discipline, it offers a toolbox for efficiently treating problems of the interpretation of human actions, texts and other meaningful material.
