These three quotes from the movie, *The Pursuit of Happyness* reinforce the hegemonic practices of racism and prejudice. By racism I mean the way in which one group suppresses another group through daily action, or inaction in some cases, as a means of maintaining the system of hegemony.

The Pursuit of Happiness portrays prejudice and racism ...

The pervasiveness of racism, and the way it is often explained, might give the impression that racial prejudice is natural and impossible to prevent or reduce. But, human thinking has the capacity to form groups based on a wide and disparate range of characteristics that are entirely unrelated to race – like the clothes we wear or the football teams we support.
