The War On Cops How

The War on Cops exposes the truth about officer use of force and explodes the conceit of “mass incarceration.” A rigorous analysis of data shows that crime, not race, drives police actions and prison rates.

The War on Cops: How the New Attack on Law and Order Makes ...

Praise. “ The War on Cops is an important and timely book. Mac Donald’s clear-eyed analysis separates fact from fiction and provides keen insights into the politics at play and the consequences for law-enforcement officers and the communities they are sworn to protect.” — Ray Kelly, Former

The War on Police, Heather Mac Donald

I almost gave *The War on Cops* five stars. Between the amazing first half of the book and my own biased feelings on the subject (2 cops in the family), Mac Donald's expose on the very anti-cop sentiment in America could have easily been one of the best books I've read in 2018.
