A rear-view mirror (or rearview mirror) is a convex mirror in automobiles and other vehicles, designed to allow the driver to see rearward through the vehicle's rear window (rear windshield ). In cars, the rear-view mirror is usually affixed to the top of the windshield on a double- swivel mount allowing it...

Rear-view mirror - Wikipedia

The book assumes no previous background in the subject matter; Macnamara often simplifies abstract concepts via homespun examples (many using his beloved dog, Freddie). This is a quirky, engaging book, as well as the last work by a highly influential figure in cognitive psychology.

The Plush Staple of Hot Rod Culture. In the 1940s and 1950s, no serious hot rod was complete without a set of fuzzy dice hanging from the rearview mirror. Today, fuzzy dice are a symbol of retro flair or amusing schlock. Believe it or not, there is history and symbolism behind those innocuous-looking fuzzy cubes.

The Surprising History and Symbolism of Fuzzy Dice

The 3rd Emperor of the Roman Empire was a troubled youth named Gaius Julius Augustus Germanicus. Today in History: The Women's March events take place in Washington and around the world. Today in History: The Coronation of Elizabeth I. History Painting: Ivan the Terrible and His Son by Ilya Repin, 1885.

History – Rearview Mirror

"Live your life through the windshield, not the rearview mirror" – Colin Cowherd The quote above might not be exactly correct word for word but the important thing is that it retains the message that the original author meant to convey. When driving a car there is a windshield and a rearview mirror, both serve...

The picture (above) on your page of the Minetto web site was the home of Elwood Diment, General manager of Columbia Mills from the period about 1925 until his death in about 1940. He was succeeded by his son (Horace, I believe) who took up residence in the same house, as well as the General Manager position.

From a Mill in Minetto – Through the Rearview Mirror

Ephraim divided up the land in his square mile and sold it in parcels. At the time of his death, he left the remaining land of Webster's Half Mile to this third wife and their children, excluding the children with Nance from his will. After the death of Hannah (Danks) Webster in January of 1837...

Ephraim Webster: Part 3 – Through the Rearview Mirror

A rearview mirror is for looking behind you when you're driving a car. So to say something is "in the rearview mirror" means that it's behind you - in this context, in the past. You can check the literal definition of "rearview mirror" at PhraseMix and Wikipedia, and find many metaphorical examples at BrainyQuote, e.g.:
