We, the navigators : the ancient art of landfinding in the ...

One of the classic studies of Polynesian and Micronesian navigation, We, the Navigators mixes ethnography and history with experiment and personal experience. A small boat sailor himself, David Lewis is warmly sympathetic in his engagement with the indigenous navigators and sailors he sails with and learns from, but at the same time he is careful to set that in its context and to maintain a scholarly footing.

We, the Navigators (David Lewis) - book review

With a background as a small boat navigator, around-the-world voyage in 1965 in a catamaran, during which he attempted, successfully, to apply reputed traditional Polynesian navigation by Maori sun course from Tahiti to Huahine, to Rarotonga and to New Zealand, and with a deep interest in Polynesian seafaring derived from his childhood Cook Island experiences and family associations, Lewis was, in 1968, remarkably qualified to pursue the necessary research and field experimentation.
