When Brute Force Fails How

When Brute Force Fails explains how we got into the current trap and how we can get out of it: to cut both crime and the prison population in half within a decade. Mark Kleiman demonstrates that simply locking up more people for lengthier terms is no longer a workable crime-control strategy.

When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails : How to Have Less Crime and Less Punishment. Crime, even after a decade of falling crime rates, remains a huge problem, and a major barrier to improving conditions in poor neighborhoods. Mass incarceration -- one American adult in 100 is now behind bars -- constitutes a problem in its own right.

Mark Kleiman demonstrates that...

When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails. Liberals don't like talking about crime. The classic answer—fixing the root causes of crime—now seems hopelessly ambitious. And our natural sympathy for the millions ground down by an out-of-control prison system and a pointless war on drugs doesn't play well with voters, especially when most criminals can't vote.
