### Amazon.com: Customer reviews: Why We Pick the Mates We Do

Present: We choose on the basis of what we need now - what we find attractive today, useful today, appealing today. That is a reasonable strategy, but what we value today, may not be what we value in 20 years. Future: We do try to choose mates that we want to share with, grow with, and grow old with. The problem is that we are somewhat limited ...

### Why do we choose the mates we do? | Relationships and ...

We pick our mates by their genome – even if we aren't aware of it Humans too engage in assortative mating, scientists find. by Alexandru Micu. January 10, 2017. in Genetics, News.

### We pick our mates by their genome -- even if we aren't ...

But we live in the 21st century, and things have changed. Kids meet at all-night drunk parties, shack up, fight, have kids, fight, let welfare pay their way, and live in dingy third story walk-ups. But you almost certainly want better than that, so to start I suggest attending events where you are likely to find the greatest number of eligible mates, hopefully those who believe in God.

### Should we or God choose our mate? - Bible Study

Even though evidence indicates that females can actively choose their mates, the question of why females discriminate, rather than mate at random, ... In an extensive series of experiments on mate-choice copying in guppies, we determined that young females are more likely to copy the mate choice of older, more experienced females than vice versa.
