LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Yamaha Vmax 175 2002 Service

I have a 2002 Yamaha 175 Vmax HPDI and I have been unable to determine the proper fill level of the main oil tank on the outboard. I assume that it should be at the upper fill line. Right now my level is about 1-1/2 inches above the upper line. I have had nothing but problems with the Precision Blend system since I purchased new in 2002.

I have a 2002 yamaha vmax 175hp hpdi on a 22' center console and having a problem! The first issue made me think it was without a doubt bad fuel, this engine has about 400 hours on it and is used almost once a week, never for a long time, but used very often, until about 3 months ago and was put on a trailer and stored on land.

Top 16 Reviews about Yamaha Outboards - ConsumerAffairs

If your looking at a 2006 Yamaha the choices are getting fewer. Currently the only 2.6L Carb they offer is the 150 Vmax, the biggest 2.6L HPDI is the 175 Vmax (they still make a 2.6L 200 but its a 25" shaft I believe) and of course the biggest 3.3L is the 300. The 3.1L Ox66 are gone from the stable.:
