Living Above Sin and Death Anthony Ametu Ajayi 2022-06-27 The soul of man is bedevilled with the fear of death as he finds himself enclosed in a body of death limiting his carnal understanding to a fate of hopelessness and uncertainty of the judgement beyond death. What a pity! This book provides an escape from his misguided thoughts. Using the experience of scriptures based on Bible references, Living Beyond Sin And Death beams out the light of hope beyond the body of death. That is the radiant light of the expression of God, a verified assurance of promise that cannot fail. For example, the Bible notes that the gift of God is eternal life. Furthermore, it presents Jesus declaring his custody of the keys of hell and death. Why then should a soul be in fear of death if not ignorance? Rather, a soul needs death to grow into his likeness to his Maker and thereabouts return to embrace his God in eternal glory. This is great faith and a worthy fellowship. Get a copy!

As lies begin to be untold, the passage of death is born to the Earth in silent horror as the fingers of the Devil reach into each and every soul of humankind with no sign of peace to lead them to safety. It matters only to one being that there is salvation and yet with his will broken beyond repair the Earth faces the birth of never ending darkness entirely alone with only dust to suffocate their fragile hope for deliverance.

Exposing the Darkness Darryl Fitzwater 2011-02 Darryl Fitzwater and his family appeared to the outside world to be a good Christian family. But in truth, Darryl was not a good Christian. He was hard on his wife and children, expecting them to meet impossibly high standards and never showing love or encouragement. He believed himself to be better than the other Christians he knew and was critical and judgmental of everyone. And he had a dark secret. In 2007, on the day before Thanksgiving, his deep, dark secrets were finally exposed. Darryl's wife, RaeLynn, discovered him in the

nude with their teenage daughter, Sierra. As it turned out, Darryl had been struggling with pornography for years, and his lust led him to live with a hidden heart of sin. When the truth was revealed, life as he knew it was completely destroyed. He turned himself in and spent time in jail and away from his family, and the most amazing thing happened—he learned what it means to have peace with God and to serve Him with all of his heart. Today, Darryl and his family have forgiven and reconciled, and this thought-provoking book chronicles Darryl's many discoveries as he dealt with his sin. He encourages readers to take a hard look at the hidden sin in their own lives and bring it to the light so they can begin to truly live a victorious and fruitful Christian life. All will be revealed in *Exposing the Darkness: And Lighting the Way to Life in Christ*.

Oh Death Where Is Thy Sting? Oh Grave Where Is Thy Victory? Sylvia Black 2015-08-14 This book talks about having life and having it more abundantly, though the shed blood of Jesus on the cross at Calvary. When Jesus rose from the grave early one Sunday morning we too will rise up out of our dead circumstances. Jesus rose with all power in His hands. We too possess love, power and a sound mind. Get the book and be blessed. Jesus' resurrection is greater than sin and death, it is sin's inevitable result of human failure. So many Christians today are dying because they live in sin and do not understand how Jesus' death gave them life. There is purpose in pain. Hurting people, hurt people and suffering is painful, no one likes to suffer. There's nothing to be ashamed of because you were or are being persecuted by the enemy. Don't take it personal, it's the devil's job. But, it may seem that our outward man is perishing but it's only because God is strengthening us inwardly. The old self dies and a new creature emerges. We no longer think the way we used to think, or act the way we used to act, or talk the way we used to talk. Romans 6:4 NIV says "we were buried with Jesus through baptisms into death in order that just as Christ was raised from the dead through the glory of the Father, we too may live a new life." And now sin's power is broken, we are no longer bound by the law. We belong to him, the power of the life-giving Spirit has freed us from the power of sin that leads to death.

Sin, Death, and the Devil Carl E. Braaten 2000 Sin, death, and the devil, called "the unholy trinity" by Martin Luther, are the classic biblical tyrants. This volume, which takes its cue from John Paul II's description of Western society as a "culture of death," unveils the faces of sin, death, and the

devil in modern culture. Far from being pessimistic, however, these engaging chapters by eight recognized theologians take care to affirm God's victory over the diabolical forces that oppress humanity--a victory continually realized through the proclamation of the gospel and the sacraments of the church. Contributors: Gary A. Anderson, Carl E. Braaten, Vigen Guroian, Stanley Hauerwas, Robert W. Jenson, Gilbert Meilaender, Richard John Neuhaus, and A. N. Williams.

The Gospel standard, or Feeble Christian's support 1876

The Original Sin and Human Diseases Hanna Rizk Wannas, MD FRCS, ED FICS 2014-01-30 This text is unique; it is the first book of its kind that challenges the theory of evolution by the word of God. In the text, it will be proved beyond doubt that the word of God is powerful with a two-edged sword. It divides asunder and exposes the counterfeit and the false. Not only that, but it proves the validity of the arguments by using medical and surgical studies of the patients' ailments. The author is a scientist and a surgeon. He studied anatomy and embryology in full details that makes him argue with confidence. The doctrine of creation has a solid foundation which is the true word of God. The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man, whose knowledge is based on the theory of evolution. These have changed the procedures from difficult and complicated, to a single day procedure with financial gains to the patient and to the public. The relation between sin, diseases, and death is studied and proved beyond doubt. The salvation by justification, sanctification, and righteousness is explained and also proved beyond doubt. Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit, contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard, but this usually brings low moral value with it, that at the end lead to death from moral decay, alcoholism, and drug addiction. The evolution is produced by knowledge and experience, and it carries with it, away from God, all the destructive elements to humans.

Why? Why Did My Children Die? Bob Seaver BSEE MBA ThM 2022-08-13 In a tragic instant in 1998, my relatively normal world as a mature man, family provider and wage earner, Christian, husband, and father changed drastically, but also, my God changed (or at least my perceptions and expectations of God and life in general were severely shaken). The world I went to bed with was not the world I awakened to early the next morning to learn that my only daughter was dead! The emotions that engulfed me were then and are to this day unfathomable--emotions, pain, doubt, anger, and many other religious and interpersonal struggles that I've called bitter grief. The faith and religion that I had depended on and expected to provide strength, understanding, and comfort for most of my fifty-four years in such a situation were now very quickly major parts of my problem. Simplistic efforts to console and explain, to ease my pain, to answer my questions, just angered me and aggravated my bewilderment. Eventually, this book emerged at first from the relentless conflagration of emotions and distress that first started their expression as a journal stressing my need for meaningful support and empathy following the open surprise, bewilderment, and guilt-ridden feelings of divine betrayal that gripped me after my only daughter was killed in a tragic one-vehicle accident. The total impact that my daughter's death had on me was finally confirmed sixteen years later following the unexpected death of my eldest son. This book recalls and reflects my personal experiences of dealing with bitter grief and, as a whole, describes my feelings, actions, and even my very questionable thinking from that traumatic beginning (the sometimes dark and unthinkable emotions and reasoning that followed my child's death)--not as I had expected that I should have or would have felt or thought, but as I actually did feel and think--triggering the overwhelming need to ask endless questions and then seek to understand. I had to ask and continue to ask why until I understood well enough to again be at peace with God! Why is perhaps the most fundamental question of life? Why does anything exist? And especially, Why does life exist? If there is a Creator God who loves us, why do pain and suffering exist? And I now realized that if one's religion and

faith don't satisfactorily address the problem of severe human suffering and horrific tragedy, then they must lack the capacity to interpret the human experience or to provide a realistic or adequate world view. Thus, I had to ask why questions that reached well beyond the deaths of my children. For the first time, I had to step outside of my now crumbling former religious comfort zone to consider my tragic and bitter losses and God's role in my losses and His role in all the other terrible pain, suffering, and death that exists in the world. I had to ask myself very difficult questions and try to understand Why? the harsher and horrific things of life happen, but more specifically Why Jodi? Why me? and Why now? I've tried to honestly consider why life often seems so unfair, but this was a surprisingly difficult thing to do--to seriously question the things I had come to believe and to expect from life and from God. And then sixteen years later by God's sovereign choice, I got a second chance to look at and reassess Why? following the death of my eldest son (Brian). This book is also in some sense a lament and a chronicle (though somewhat topical and not strictly chronological) of my life as a distraught bereaved parent transitioning by means of bitter grief and sorrow to some new more stable normal under the sovereign leading of God as must others who also suffer bitter grief. This book is the story of my life since April 23, 1998, my experiences, successes, and disappointments; and I hope they will be of value to you as you deal with your own bitter grief and/or try to help others cope with theirs.

Stumbling in Darkness Laura Dawn 2010-12-28 The title: "Stumbling in Darkness ~ Separated from God (A journey to the Light) ...is a life summarized. May this book inspire you to seek the LORD God, read His Word the Holy Bible, and get to know Him as He reveals Himself to you through the Spirit in Jesus Christ. It is God's will for all of us to know Him and receive Jesus as our Lord and Savior. In both Testaments God says, I will be their God and they will be My children. (Lev 26:12) - (Rev 21:7) this statement is repeated many times. God desires to have a relationship with each one of us. He's long suffering patiently waiting for us to come to Him. However, He has a set year, month, day and time when the waiting ends. Take an honest look at yourself and ask do you know the love of God? Do you know Jesus Christ personally? Is your name written in The Book of Life? Are you a slave to addictions, lost in sinful desires? Will you be welcomed into the Kingdom of Heaven? Do you put everyone and everything before and above God? We are living in what Scripture calls "the last days" the end of life as we know it. Though it is a world without end as we know it is becoming a memory.

Created in God's Image Anthony A. Hoekema 1994-09-06 According to Scripture, humankind was created in the image of God. Hoekema discusses the implications of this theme, devoting several chapters to the biblical teaching on God's image, the teaching of philosophers and theologians through

Reliving the Passion Walter Wangerin Jr. 2010-06-01 No story has more significance than this: the death and resurrection of Jesus. But somehow the oft-repeated tale of Christ's passion can become too familiar, too formalized, for us to experience its incredible immediacy. The meditations in *Reliving the Passion*, which received a Gold Medallion Award in 1993, follow the story as given in the gospel of Mark—from the moment when the chief priests plot to kill Jesus to the Resurrection. But these readings are more than a recounting of events; they are an imaginary reenactment, leading the reader to re-experience the Passion or perhaps see it fully for the very first time. As only a great storyteller can, Walter Wangerin enables the reader to see the story from the inside, to discover the strangeness and wonder of the events as they unfold. It's like being there. In vivid images and richly personal detail, Wangerin helps us recognize our own faces on the streets of Jerusalem; breathe the dark and heavy air of Golgotha; and experience, as Mary and Peter did, the bewilderment, the challenge, and the ultimate revelation of knowing the man called Jesus. "The story gets personal for every reader," writes Wangerin, "for this is indeed our story, the story whereby we personally have been saved from such a death as Jesus died. "No, there is not another tale in the world more meaningful than this—here is where we all take our stands against sin and death and Satan, upon this historical, historic event. I consider it a holy privilege to participate in it retelling. "Read this book slowly. Read it with a seeing faith. Walk the way with Jesus. We, his followers of later centuries, do follow even now. Read, walk, come, sigh, live. Live! Rise again!"
